

Bishop Shelton C. Daniel

Full Biography

For more than **30 years**, Bishop Shelton C. Daniel has faithfully served the Body of Christ with a heart for pastoral leadership, discipleship, and the spiritual growth of God's people. Throughout his ministry, he has remained committed to preaching the Gospel, developing leaders, strengthening congregations, and equipping churches to fulfill their God-given purpose.

Recognizing the unique challenges churches face during seasons of pastoral transition, Bishop Daniel founded **S.C. Daniel Ministries** to provide biblically grounded interim pastoral leadership, church consulting, and leadership development. His passion is helping congregations move through periods of uncertainty with wisdom, stability, and hope while preparing them for the next season of ministry.

As a **Certified Transitional Interim Pastor**, Bishop Daniel understands that the time between pastors is far more than a waiting period—it is an opportunity for healing, reflection, growth, and renewed vision. He works alongside church leadership teams to provide consistent preaching, pastoral care, strategic planning, conflict resolution, leadership coaching, and congregational encouragement throughout the transition process.

In addition to interim ministry, Bishop Daniel is a respected speaker, teacher, mentor, and leadership coach who has invested in pastors and ministry leaders across numerous churches and organizations. His leadership philosophy centers on biblical integrity, servant leadership, strategic thinking, and building ministries that leave a lasting legacy for future generations.

Bishop Daniel is also the creator of the leadership philosophy "**Chess, Not Checkers**", encouraging pastors and ministry leaders to lead with wisdom, vision, intentionality, and long-term strategy rather than reacting to immediate circumstances.

Whether serving from the pulpit, mentoring church leaders, consulting with search committees, or providing pastoral counseling, Bishop Daniel approaches every ministry opportunity with compassion, humility, and excellence. His desire is to see churches remain healthy, united, and spiritually strong while confidently preparing for the leader God has already ordained for their future.

His life verse and ministry commitment are reflected in **Jeremiah 3:15**:

"And I will give you pastors according to mine heart, which shall feed you with knowledge and understanding."

Today, Bishop Daniel continues to serve churches by **Kingdom Bridging Churches Through Healthy Transitions**, helping congregations experience stability, healing, and renewed purpose while advancing the Kingdom of God.
